

WATERSHED PRESENTATION

Come meet your neighbors in the Dugway Brook and Nine Mile Creek Watersheds. The City of University Heights Stormwater Committee is hosting an evening with Dr. Roy Larick PhD. Dr. Larrick is the Chairman of the City of Euclid Landmark Commission, author and an expert on our local history especially on how it relates to our environment and specifically our local waterways that drain directly into Lake Erie from the Heights communities. Dr. Larrick's presentation will focus on Dugway Brook and Nine Mile Creek., our local watersheds. The presentation will take place at the City of University Heights City Hall (City Council Chambers) 2300 Warrensville Center Road on Tuesday, May 20th at 7:00 PM. In addition to the presentation, the Stormwater Committee will be giving away informative literature regarding our local watersheds and stormwater pollution. If you have any questions regarding this presentation please contact Chris Vild, Service Director at 216-932-7800 extension 215 or cvild@universityheights.com Please check out our new stormwater page at www.universityheights.com for upcoming events and information.
