

**Free Paper Shredding Service, Oct. 11,  
In Parking Lot at Purvis Park**

As a convenience for residents of University Heights, our city's Service Department has scheduled a community paper shredding event for Sunday afternoon, Oct. 11, from 12:00 noon to 3:00pm, in the parking lot at Purvis Park. Each resident may bring up to five (5) boxes or bags of paper to be shredded at no charge. The Shredding Network, the company providing this service, utilizes a cross-cut shredding machine to ensure the most secure destruction of documents. Items acceptable for shredding: bank information, cancelled checks, outdated bills, mortgage and loan receipts, medical data, obsolete invoices, letters, envelopes, ledgers, any other clean paper. All of the paper shredded will be recycled. This program is available to individual residents of University Heights; representatives of institutions may contact the Shredding Network, 440-944-8819, for other opportunities
