

DATE: November 1, 2011
TO: John Carroll University Neighbors
FROM: Laurie Massa, Senior Director of Athletics

I want to personally inform you about our week of athletics and use of the stadium November 1st through 5th.

By virtue of this past weekend's results and finishing fourth (women) and second (men) in the Ohio Athletic Conference regular season, our soccer teams earned the right to host games on campus this week. The women play Tuesday, November 1st at 7:00 p.m. and the men play Wednesday, November 2nd at 7:00 p.m. in Don Shula Stadium.

As a result of the Wednesday soccer game, we have moved our football practice to 6:00 a.m. Wednesday morning. This is an unpopular move from many perspectives but was chosen as the only option which accommodates a two hour time frame outside of class times. We are taking every precaution to minimize sound and lights; realizing this is a lot of activity in a short period of time. I want to assure you that this particular scheduling circumstance is uncommon.

Also, our last home football game takes place this Saturday, November 5th at 1:30 p.m. against Heidelberg. We welcome you to this and any of our events on campus.
