

Fire Hydrant Flushing

September 27th through October 12th

The University Heights Fire Department will be checking and flushing all fire hydrants throughout the city. The work will begin on Tuesday, September 27th and should be completed by Wednesday, October 12th.

Please remember:

- Avoid washing clothes when Fire Department personnel are working in your area.**
- To clear rusty water from your water line, run the cold water until it is clear.**

Have a question? Please contact the University Heights Fire Department at 216-321-1939
