

# “At Your Service”

## Message from the Mayor

Dear Residents:

I am happy that spring officially arrives this month. Hopefully we will see warmer temperatures soon! As usual, our semi-annual recycling event with free paper shredding will occur the weekend the clocks change. Collection days are Friday, March 6 and Saturday, March 7. A detailed description of the items acceptable for recycling is available below.

We have been reviewing our summertime recreation programs and are considering a restructuring of swim lessons to accommodate more swimmers. Here's a sneak peek at what is being considered: three swim sessions, offered on Mondays and Wednesdays, Tuesdays and Thursdays, and Saturdays-only. We believe a Saturday-only session may better accommodate the schedules of working parents. We also have plans to offer swim classes during Men's and Women's nights for single-sex swim sessions.

The planning process for the Memorial Day parade is underway. Parade Day is Monday, May 25 and the parade kicks off at 11 a.m. If you are interested in helping with the planning for this fun event, please contact Jen Waxman at City Hall at [jwaxman@universityheights.com](mailto:jwaxman@universityheights.com) or 932-7800 x205.

Sincerely,

Susan Infeld  
Mayor

---

### RTA Adopt-a-Shelter Program

RTA is asking for your support to help them keep their bus shelters and bus stops clear of snow and ice. Although they employ a staff dedicated to shelter cleanliness, they also have an Adopt-A-Shelter program that allows individuals, businesses and organizations to place their name on specific shelters in exchange for beautification efforts throughout the year. Please call 216-566-5220 or email [marketing@gcrta.org](mailto:marketing@gcrta.org) if you are interested in learning more about this public service effort.

### Discounted Home Repair Classes for UH Residents

The Home Repair Resource Center (HRCC) in Cleveland Heights offers hands-on repair classes for homeowners who want to learn how to care for and maintain their homes. For the month of March all home repair workshops, including the ever-popular plumbing classes, are offered at a discounted rate for University Heights residents. The fee per class is \$5 instead of the regular \$15 fee. Reservations are required for all classes and classes are filled on a first-come basis. Detailed class descriptions can be found on the HRCC website at <http://www.hrrc-ch.org/events/repair-workshops>. If you are overwhelmed by all the class offerings and would like to speak to someone directly, please contact Becky Stager at (216) 381-6100 x16.

## Free Paper Shredding & Household Hazardous Waste Collection

Friday, March 6<sup>th</sup> – Saturday, March 7<sup>th</sup>

University Heights is holding its semi-annual collection of household hazardous waste and FREE paper shredding. Drop-off is available Friday, March 6<sup>th</sup>, from 8:00 AM to 4:00PM and on Saturday, March 7<sup>th</sup> from 9 a.m. -1 p.m. **Please note that the City will not accept latex paint cans unless your paint can is empty or the contents are dry.** Please use the following information to guide you as you assemble items for disposal:

- **General Recycling**
  - Plastic (number 1-7)
  - Metal (including aluminum foil sheets and trays, aerosol cans)
  - Glass bottles and jars
  - Yard waste (grass clippings, branches, leaves, bushes)
- **Confidential paper document shredding**
  - You do not need to remove staples, paper clips, binder clips or rubber bands before shredding.
  - The shredding truck will be on-site on Saturday, March 7<sup>th</sup>. Papers dropped off on Friday will go into a locked shredding container for shredding on Saturday.
- **Hazardous Waste Disposal**
  - Computers and electronics (desktops, laptops, printers, servers, cables, wires, extension cords, inkjet cartridges, cell phones, digital & video cameras). **Please remove all confidential information from the hard drive of all devices.** The City is not responsible for any data remaining on your hard drive.
  - Household hazardous waste (oil paint, varnish, pesticides, automotive fluids, motor oil, car batteries, roof tar, driveway sealer, kerosene, gasoline, lighter fluid, mercury, fluorescent bulbs). **No latex paint, smoke detectors, medical waste or pharmaceuticals.**
