

“At Your Service”

Message from the Mayor

Dear Residents,

The city administration is gathering information for grant-eligible projects and would appreciate your assistance with one of them - the establishment of a public square at the Cedar-Taylor gateway to University Heights. It would be located on the northeast corner of the intersection near the former KFC site. We envision an open area that would be beautiful and inviting to pedestrians with benches, plantings, a public art installation, and a “Welcome to University Heights” monument sign. Your input on this concept and suggestions for public art are critical to making this idea a community vision. If you are available to attend, we would appreciate your participation at a meeting to discuss this concept. The meeting will be held Tuesday, March 7th at 6:30 p.m. in City Hall. If you are unable to attend the meeting, please let us know your thoughts by email at info@universityheights.com or by phone at (216) 932-7800 x203. Thank you for your consideration and for your ideas.

I would also like to report the latest news regarding the businesses located at our Cedar-Taylor gateway. The former KFC building was recently sold and the new owner has expressed a desire to open a restaurant at the site. Nearby, the owners of the Cedar-Taylor Garage have retired and the building is for sale. The city has been working with the building owners to help locate a business in the space. If you know a business that would like to locate there or elsewhere in our city, please email us at development@universityheights.com or call our Community Development Coordinator, Patrick Grogan-Myers. at (216) 932-7800 x203. We are happy to help you find a location for your business.

The city administration is finalizing plans for the upcoming construction season. Travelers on Green Road have encountered construction already due to the Dominion gas line replacement project. The timeline for completion of the project is lengthy with construction expected to continue for 5-6 months. There may be times you will be inconvenienced by road closures or detours due to this project or other road improvement projects scheduled this year. We apologize in advance if that occurs and encourage you to contact City Hall with any questions at info@universityheights.com or (216)932-7800 x205.

The city’s collection of household hazardous waste and free paper shredding takes place twice a year on the weekends the clocks change. That time is fast-approaching. The clocks will change on Sunday, March 12th and the city will collect your household hazardous waste and shred your confidential papers on Friday, March 10th and Saturday, March 11th. Please read further in this newsletter for details.

Sincerely,

Susan Infeld
Mayor

Beautifully Decorated Homes with a Seasonal or Holiday Theme

Many homes were beautifully decorated throughout the past fall and winter holiday seasons with many creative, whimsical displays. Thank you to these residents whose artistry charmed their neighbors and everyone else who saw their creations. Your efforts were outstanding and demonstrate yet again that we are a City of Beautiful Homes! The winners are:

Fall and Halloween: 2331 Allison, 3065 Bethany, 2308 Canterbury, 2328 Canterbury, 2335 Canterbury, 4100 Carroll, 2487 Channing, 2572 Edgerton, 2622 Edgerton, 2382 Glendon, 2387 Glendon, 2392 Glendon, 2401 Glendon, 3813 Hillbrook, 3849 Hillbrook, 2617 Kerwick, 3790 Meadowbrook, 2569 Milton, 2299 Miramar, 2315 Miramar, 3578 Northcliffe, 3593 Silsby, 4190 Silsby, 2572 Traymore, 3882 Tyndall, 2612 Warrensville, 4078 Washington, 3773 Westwood, 2608 University, 2616 University

Free Paper Shredding & Household Hazardous Waste Collection Friday, March 10th – Saturday, March 11th

University Heights is holding its semi-annual collection of household hazardous waste and FREE paper shredding on Friday, March 10th from 8:00 a.m.- 4:00 p.m. and Saturday, March 11th from 9 a.m. -1 p.m. Drop-off is available in the Service Yard at City Hall. Please note that the City will not accept latex paint cans unless the paint can is empty or the contents are dry. Please use the following information as a guide for acceptable items:

General Recycling

- Plastic (number 1-7)
- Metal (including aluminum foil sheets and trays, aerosol cans)
- Glass bottles and jars
- Yard waste (grass clippings, branches, leaves, bushes)

Confidential paper document shredding.

- You do not need to remove staples, paper clips, binder clips or rubber bands before shredding.
- The shredding truck will be on-site on Saturday, March 11th. Papers dropped off on Friday will be deposited into a locked container for shredding on Saturday.

Hazardous Waste Disposal

- Computers and electronics (desktops, laptops, printers, servers, cables, wires, extension cords, inkjet cartridges, cell phones, digital & video cameras). **Please remove all confidential information from the hard drive of all devices.** The City is not responsible for any data remaining on your hard drive.
- Household hazardous waste (oil paint, varnish, pesticides, automotive fluids, motor oil, car batteries, roof tar, driveway sealer, kerosene, gasoline, lighter fluid, mercury, fluorescent bulbs). **No latex paint, smoke detectors, medical waste, or pharmaceuticals.**
