PUBLIC COMPLAINTS AGAINST MEMBERS OF THE UNIVERSITY HEIGHTS POLICE DEPARTMENT

The University Heights Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members. The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule.

Personnel complaints may be generated internally or by the public. Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.
